Re: WC Docket No. 05-196 -- Subscriber Notification Report

This letter is to inform the FCC of our Subscriber Notification and Acknowledgement extension request and to report Enventis' status regarding its requirement of obtaining affirmative acknowledgements from every existing VoIP subscriber.

Provide a detail description of all actions taken in reference to the 911 Order: Our actions so far have included sending the Subscriber Notices to all subscribers on July 22, 2005 via US Priority Mail. Enventis also sent an email out on July 22, 2005 notifying our subscribers of the important information they would be receiving by mail and the actions that would be required on their part. On August 4, 2005, all customers that hadn't returned an affirmative Subscriber Notice were contacted by Enventis via phone.

Provide quantification of Provider's subscribers having submitted an affirmative acknowledgement: As of August 4, 2005, Enventis' affirmative acknowledgement success is 41%.

How has provider distribute warning stickers?: The warning stickers were delivered via US Priority Mail on July 22, 2005 with the Subscriber Notices and re-enforced through email on July 22, 2005.

Provide quantification of Provider's subscribers to whom provider did not send the advisory: 0%. All existing VoIP subscribers were sent a 911 notification and stickers.

Provide detail description of any actions the provider plans on taking towards any of it subscribers that do not affirmatively provide acknowledgement: Enventis will continue to communicate with our Subscribers up until August 29, 2005. Enventis will disconnect subscriber's VoIP service on August 30, 2005 for any subscribers in which an affirmative acknowledgement is not received.
